Flying to Rochester

 **Rochester International Airport (RST)**, about 15 miles south of Mayo Clinic, is served by American Airlines and Delta Air Lines, offering daily flights to and from Chicago, Detroit and Minneapolis/St. Paul. Rochester International Airport accommodates many types of private aircrafts, both domestic and international. The airport offers many transportation options.

 **Minneapolis-St. Paul International Airport (MSP)**, located 80 miles north of Rochester, has regularly scheduled service by most domestic airlines and many international carriers.

The airport offers scheduled bus and shuttle service between Rochester and Minneapolis:
